## About FCRI

FCRI was established in 1994, named after late Rev. Fr. Conceicao Rodrigues. FCRI persistently seeks and adopts innovative methods to improve the quality of education on a consistent basis. The global standards set at FCRI in the field of teaching spurs the students in relentless pursuit of excellence. Though its reputation rests mainly on the high quality, value-based technical education that it imparts, it has to its credit a verdant, well-maintained campus and extensive facilities. Its location in the vicinity of the holy places of various religious denominations underscores its secular credentials and its philosophy of "Vasudhaiva Kuttumbakam". The institute prides on being one of few that has accreditation for all five branches by National Board of Accreditation (NBA). It also has been ranked by National Institute Ranking Framework (NIRF).
